Exploring Machine Quilting is a hands-on class taught by award-winning quilter, Loretta Painter. You will have the opportunity to learn how to machine quilt using your own home sewing machine. There will be a discussion about marking tools, different kinds of battings, needles, and threads. You will be working on a class sample using a variety of quilting techniques. If you have a completed quilt top and would like ideas on how to quilt it, you may bring it, but this is not necessary. You will find the class supply list below. Please bring a sewing machine (including walking foot if you have one and darning or free motion foot) with which you are familiar.

1. Sewing machine you know how to use (bring the manual)
2. Notebook to take notes
3. Walking foot- don't buy one for this class
4. Darning foot (free motion foot)
5. Size 90 topstitching needles and any needles you like to use
6. Thread (at least one spool of dark thread and one spool of light thread)
7. Extra bobbins
8. Basic sewing scissors
9. Long ruler (about 5" by 24")
10. 8 pack Crayola™ FINE LINE washable markers
11. 2 yards muslin
12. 1 yard cotton batting
13. Scotch double sided tape
14. Power strip
15. Extension cord
16. Quilting hoop – Any size between 10-14 inches
17. Bring your own beverage

Feel free to contact Loretta if you have any questions about the supply list. You will receive a lunch menu to fill out before the class meets.
