The Electric Quilt Company (EQ) is the leading quilt design software company in the world. It accommodates many styles of quilting design and construction. Miriam will share some of her experiences using Electric Quilt (EQ). She will demonstrate how to get started, how the software is organized, and some of the diversity of projects that are possible. She will show how she has used EQ to explore many possible designs before cutting fabric, and will bring examples of finished quilts that started out as EQ designs.

If you are interested, you can ask about private Walker Sisters Group Tours on Tuesdays now through November 8.

The Walker Sisters Quilt Exhibit and Tour is an exclusive presentation about The Walker Sisters of Little Greenbrier by Robin Goddard.

The Walker Sisters grew to fame when they steadfastly refused to leave their family's homestead as the Parks Commission was working to purchase land that would later become the great Smoky Mountains national park. The sisters persevered and obtained rights to a lifetime lease of their home-place. The six quilts on display at the Great Smoky Mountains Heritage Center show the resourcefulness of mountain families. Constructed of fabric that was often made by the Walker Sisters themselves, the quilts are made from patterns handed down through the generations. We have shown quilts as our permanent collections, but none as important to the history of the region as those of the Walker Sisters.

Our guests will enjoy a 50-minute presentation by Robin Goddard who had the privilege of spending time with the walker Sisters at their home-place. Robin

will share her extensive knowledge about the Walker Sisters exclusively for our tours.

Robin will be a keynote speaker and workshop presenter ("Happy 100th Birthday, National Parks!") at the Delta Kappa Gamma International Honorary Teacher Society Convention to be held at the Opryland Hotel in Nashville this July.

On odd-numbered years, former State Teachers of the Year from around the country come to Wears Valley Ranch and the Smokies for their biennial service project where, together with Robin Goddard and Dolly Parton, the Imagination Library, and GSMNP, they work with the underprivileged children who live and attend school at the Wears Valley Ranch, which is a not-for-profit, privately funded institution.

Tours depart at 9 AM from the Great Smoky Mountain Heritage Center, Townsend, TN. Cost is \$20.00 per person. The Exhibit and Tour includes: viewing six Walker Sisters quilts never before available for public viewing; an exclusive presentation on the Walker Sisters by Robin Goddard at Little Greenbrier Schoolhouse; and a tour of the Walker Sisters' final resting place at Maddox Cemetery in Wears Valley, TN

## **2017 QUILT CHALLENGE**

Marian and Lynn Sykes have agreed to co-chair the Smoky Mountain Quilters Challenge for 2017.

The 2017 SMQ Challenge is Fun with Flags. Each member is allowed to adopt a flag from any nation as their inspiration for fabric and design. Please contact Lynn Sykes (lsykes@utk.edu) with your flag choice.

You have your flag; you are ready to create. The fabrics you use must match the colors of your flag. You may decide to utilize other colors, but 80% of your top must match your flag. You must include a design element that personifies your flag's country.

Your finished quilt must contain three layers, measure 30" – 60" (width and length). It can be completed by hand, machine or a combination of the two. It can be traditional or an art piece. If your design is not original, please bring written permission from the source when you turn in your finished quilt at the February 2017 meeting.

We hope everyone decides to join us as we explore "Fun With Flags".

## **WEBSITE UPDATED**

Miriam Land has updated the website and posted some photos. There is a page for the quilting bees that has contact information, times, and rules (<http://smokymtnquilters.com/guild-happenings/quilting-bees/>). If you have more information to add, please contact Miriam. Also Miriam is putting together a page on the website of local stores and

services (<http://smokymtnquilters.com/local-stores-and-services/>). It will need a lot of input from members, and like the newsletter it will have minimal information about what is available. Please contact Miriam if you have any information for the website for her.
